Faith In What?

Jesus did many other miraculous signs in the presence of his disciples, which are not recorded in this book. John 20:30

Faith In Your Faith?

Have you ever heard someone say, "If I only had enough faith then I could get the answer to my prayers."? Maybe you have said that. Maybe that is what you believe right now. That approach tends to be a dead end. The reason it is a dead end is it puts having faith in our own ability to have faith as the means

for living a Christian life. Faith in our own abilities will not be enough for following Jesus. It always takes what God provides to follow Jesus. We put our faith in God.

Engaging

The key to having faith that enables us to follow Jesus is to engage with God. The temptation is to build our own selves up with spiritual disciplines. That is always good, but it is not the source of power, answers, or ability to follow Jesus. That always comes from God. Looking to engage with God is to way to go. That can happen in prayer, Bible Study, worship, etc. It can also happen anytime, anywhere. Looking to engage with God anytime and anywhere means you have faith in God. That is the source for all we need. How will you try to engage with God today?
