Make Us Channels of Your Peace

St. Francis Episcopal Church

August 5, 2020

Thank You!

We give thanks to God always for all of you,
constantly mentioning you in our prayers,
remembering before our God and Father your work of
faith and labor of love and steadfastness of hope in
our Lord Jesus Christ. 1 Thessalonians 1:2-3

Taking A Break

Starting this afternoon I am taking a week's break from work. I will be staying at home and not working on things for St. Francis, the West Richmond Region, and the Diocese. Pray that I can do that successfully! I am looking forward to taking a time of rest after dealing with leading a church during a pandemic. No one I know has done that before. None of us knows what we are doing. A break from that will be helpful.

Thank You!

As I prepare to take a break I am very grateful for all you do! Your prayer, faithfulness, financial generosity, volunteering and stepping up when needed, your encouragement to me and Carol as well as each other, and so much more are absolutely wonderful! May God bless you all a hundred fold!!!
