Your kingdom come.

What Is A Good Prayer During Our Corona Virus Precautions?

As we have been experiencing, these are days of disruption. God will be bringing many things to our hearts and minds.

One that comes to my mind is to be praying for our neighborhoods. I recommend prayer-walking during this season of social distancing. We could be prayer-walking our neighborhoods asking God for protection, healing, peace, salvation, and prosperity for our neighborhoods.

How Do You Actually Prayer-Walk?

Here is a short outline of how to prayer-walk you neighborhood:

1. Ask God to open the eyes of your hart to the preach of the Holy Spirit.
2. Confess your sins and ask God to forgive them.
3. Begin to walk around your neighborhood or some other place you have chosen.
4. Ask God to bring health, healing, and peace to the people who live there.
5. Ask God to bring protection to every household.
6. Ask for eyes to see what God is doing in this neighborhood.
7. Pray that God will lead people to faith in Jesus who would in turn become strong disciples of Jesus.
8. Return to where you started and thank God for all that will be happening.

These are simple steps for prayer-walking. I have a file of more prayers you could use. We have used them in several neighborhoods around our church. Email me at johnwinded@icloud.com and I will send you the file. As you prayer-walk please be safe and try to keep social distance.
